

**KLAMATH
OUTDOOR
SCIENCE
SCHOOL**

-Providing youth with a unique experience in a natural setting that inspires learning through exploration and instills appreciation for local resources-

FALL DAY CAMPS

Sept. 22~ Oct. 9, 2008

Grades K~12

A great way to start the school year!

Learn from qualified outdoor educators
Forest, stream, wetland, or wildlife field studies
Hands-on, inquiry-based outdoor science experiences

Lessons can be tailored to your curriculum needs and the age and previous experience of your students.

The natural world cannot be experienced or fully understood within the walls of a classroom. Outdoor learning engages students of all ages, promotes critical thinking & teamwork, and builds a connection to nature.
